For confirmation of what is included in the price, and what is not, see overleaf

These prices include:

- Chalet rental
- All linen and electricity
- Cleaning and cleaning materials
- 2 resident staff, who cook, shop, clean and help!

For our Summer Programme, the chalet is rented WITHOUT staff.

Prices do not include:

- Any travel costs
- Cost of food
- Cost of wine
- Ski and equipment hire
- Lift Passes

*Money for food and wine should be given to chalet staff on arrival by the party leader.
Budget about £60-£70 per person per week.*

Pricing generally offers a £200 per person per week reduction, compared to leading ski company prices (allowing for food, wine and travel costs); and we can say with confidence that the chalet offers a superior standard to those offered by British tour operators. We have no overheads to recover, and we have furnished for our enjoyment, not as cheaply as possible!

All holidays start on a Sunday. Two rooms are ready for guests arriving at 10am, with the others ready by the evening. Guests departing can keep two rooms until 5pm. You can therefore have eight days skiing, two Sundays and the six other days, if you book for a week.

ADVICE

We can recommend good sources for Channel crossings and flights to Geneva and Lyon. We can also make bookings for children aged between 18 months and 8 years, in the Yeti recommended Kindergarten.
